Brooklyn based Electro-R&B duo Tropic returns with a funk-driven tribute to the legendary Mariah Carey, playfully reimagining her eternal classic ‘Always Be My Baby’. Built around powerhouse vocals, Tropic’s blend of smooth electronic sensibilities and soulful grooves creates an interpretation that is an exuberant homage to the source material yet is irreverently distinct.

“As a queer singer and songwriter, Mariah Carey is the bar that I aspire to in all my musical endeavors. Her glittering story is an inspiration to so many. We wanted to celebrate her 30<sup>th</sup> anniversary in the industry, paying homage to a woman who has

blazed such an important trail. ‘Always Be My Baby’ has cemented itself as a perennial summer jam and is one of those infectious, feel-good songs that no one can resist singing along to. In this time of hardship, we hope this sincere love letter helps usher in the summer and remind us of the better days to come.”

Always Be My Baby is out Friday, June 5<sup>th</sup> on all major music outlets.
